

Are you an experienced, enthusiastic **PRACTITIONER**?  
Do you want to inspire our community?

**Beacon On the Road** are seeking **Dance Practitioner** for our festive community programme.

The Beacon is looking for facilitators to join our team in bringing together the community through a series of dance events. We are interested in hearing from **lead dance practitioners**, and **dance assistants** with experience working with older adults. We are particularly keen to hear from artists with experience leading Social Dances, however we are open to hear from practitioners skilled in various dance styles.

- Dance events will take place in the community starting at the end of November and leading up to a final Social Dance at Beacon Art Centre on the 14th of December with a live band.
- These sessions will be offered at different locations throughout Inverclyde.
- Ideally, but not necessarily, the dance artists will have one years' experience delivering workshops to ages 55+.
- Qualifications are desired but not necessary, previous experience will be taken into consideration.
- All candidates must be an existing member or eligible to become a member of the Protection of Vulnerable Groups Scheme.

Payment:

Lead Practitioner - £200 per day including all preparatory work

Dance Assistant - £150 per day including all preparatory work
